

Network Connection Certificate

The following equipment has been tested for connection to the Airwave network (the "Equipment").
The Equipment has been tested on the Airwave Reference System Rugby.

	Manufacturer/Customer:	Versions:	Other relevant details:	Date(s) Certificate issued:
Supplier and Equipment Information	Airwave Solutions Ltd Airwave Centre 2 Bailey Road Central Park Rugby CV23 0AS.	Product Designation:- TETRA Data Messenger (TDM) TDM Version: Software R11.020.1062 Firmware F2400201060BGP Motorola TOM MR6.7.1	Test Date: 3 Feb 2011	Issued: 21 Mar 2011

At the time the Equipment was tested the Airwave Network Reference System was configured as follows:

Airwave interface Software version	Airwave System was built to baseline R7.1.1 SPU
---	---

The testing conducted on the Equipment suggests that it will not adversely impact the Airwave Network (as it had been configured in accordance with the above specifications). The testing was conducted to meet the requirements for Conformance and generic functionality in accordance with the specification.

Observation/Comments:

- Both Conformance Testing and Functionality Testing has completed based on Airwave Data Conformance Test Specification v4.
- When the device is "Stun/Kill" by the network command, no messages can be transmitted or received by device, however, any messages that are already on the device can be viewed. It is therefore recommended that TDM is not used for any classified data.

Disclaimer:

- This conformance certificate does not indicate any security approval with respects to the operation of this hardware / software on the Airwave network.

It is the responsibility of the supplier and their customer (whether Airwave Ltd or 3rd party customer) to ensure the Airwave Accreditor's security requirements have been met before this hardware / software is deployed on the Airwave operational network. If this solution is deployed within the customer's

Date : 21 March 2011

security domain then the customers Accreditor / Senior officer responsible for security must give their approval inline with the Airwave Service Code of Connection.

2. The issuing of this Connection Certificate is for information purposes only and Airwave makes no warranty or guarantee whatsoever as to the fitness for purpose of the Equipment or its ability to operate correctly when connected to the Airwave Network or any other network or equipment. Your use of the Equipment, connection of the Equipment to the Airwave Network and reliance on the contents of this Connection Certificate (for whatever purpose) is at your sole risk. Airwave shall not be liable for loss or damages of any kind (whether due to negligence or otherwise) arising in relation to the Equipment, its connection to the Airwave Network and/or your reliance on the content of this Connection Certificate.
