

## Network Connection Certificate

The following equipment has been tested for connection to the Airwave network (the "Equipment").  
The Equipment has been tested on the Airwave Reference System Rugby.

	Manufacturer/Customer:	Versions:	Test Date:	Cert Issued:
Supplier and Equipment Information	BiTEA Limited ICS House Hall Road Maldon Essex CM94LA UK	Product / System Designation:-  BiTEA NC1000 Mk2 AVLS App  Software Version: Server Version: 2.1  Certified and Tested with TETRA Terminal Version:  Sepura SRG/H 3500W V 9.5. build  Motorola MTH 800 V 5.9.1	25 Nov 2010	07 Dec 2010

At the time the Equipment was tested the Airwave Reference System was configured as follows:

<b>Airwave interface Software version</b>	Airwave System was built to baseline R7.1.1 & R6.2
---	--

The testing conducted on the Equipment suggests that it will not adversely impact the Airwave Network when used or connected (as it had been configured and tested during Certification and in accordance with the test specification listed below). The testing was limited to minimum Conformance in accordance with the latest specification and no specific functionality or performance of the product exercised unless specified below or in the test report.

### Key Observation/Comments:

- The conformance testing was conducted against the Airwave Data Application Conformance Test Spec v4.

### **Disclaimer:**

- This conformance certificate does not indicate any security approval with respects to the operation of this hardware / software on the Airwave network.

It is the responsibility of the supplier and their customer (whether Airwave Ltd or 3rd party customer) to ensure the Airwave Accreditor's security requirements have been met before this hardware / software is deployed on the Airwave operational network. If this solution is deployed within the customer's

---

security domain then the customers Accreditor / Senior officer responsible for security must give their approval inline with the Airwave Service Code of Connection.

2. The issuing of this Connection Certificate is for information purposes only and Airwave makes no warranty or guarantee whatsoever as to the fitness for purpose of the Equipment or its ability to operate correctly when connected to the Airwave Network or any other network or equipment. Your use of the Equipment, connection of the Equipment to the Airwave Network and reliance on the contents of this Connection Certificate (for whatever purpose) is at your sole risk. Airwave shall not be liable for loss or damages of any kind (whether due to negligence or otherwise) arising in relation to the Equipment, its connection to the Airwave Network and/or your reliance on the content of this Connection Certificate.
