

Airwave service

Airwave Service Connection Certificate

THIS CERTIFICATE IS ONLY VALID FOR USE AGAINST AIRWAVE AMBULANCE PROJECT.

The following equipment has been tested for connection to the Airwave network (the "Equipment"). The Equipment has been tested on the O₂ Airwave reference system Rugby.

	Manufacturer:	Version:	Other relevant details:	Date(s) Certificate issued:
Supplier and Equipment Information	Thorcom Systems Limited Unit 4 96B Blackpole Trading Estate West Worcester WR3 8TJ England, U. K.	Product Designation:- Thorcom SMG Ver 1.11 VR2000 MDT Sepura (TETRA PEI Driver) v1.24. Using TETRA terminals: Sepura SRG3500 Ver 1600 009 01170 (v6)	Test Date: 27 Sept 06	Issued: 20 Oct 06

At the time the Equipment was tested the O₂ Airwave Network Reference System was configured as follows:

Airwave interface Software version	Airwave System was built to baseline R5.5 SER
------------------------------------	---

The testing conducted on the Equipment suggests that it will not adversely impact the O₂ Airwave Network (as it had been configured in accordance with the above specifications). The testing was limited to conformance and hence no specific functionality or performance of the product was exercised.

Details of the test configuration, test results and any observations are available in a Test Report.

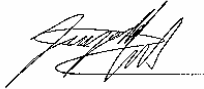

Disclaimer :

1. This conformance certificate does not indicate any security approval with respects to the operation of this hardware / software on the Airwave network.

It is the responsibility of the supplier and their customer (whether Airwave O2 Ltd or 3rd party customer) to ensure the Airwave Accreditor's security requirements have been met before this hardware / software is deployed on the Airwave operational network. If this solution is deployed within the customer's security domain then the customers Accreditor / Senior officer responsible for security must give their approval inline with the Airwave Service Code of Connection.

Date : 20 Oct 2006.

2. The issuing of this Connection Certificate is for information purposes only and O₂ makes no warranty or guarantee whatsoever as to the fitness for purpose of the Equipment or its ability to operate correctly when connected to the O₂ Airwave Network or any other network or equipment. Your use of the Equipment, connection of the Equipment to the O₂ Airwave Network and reliance on the contents of this Connection Certificate (for whatever purpose) is at your sole risk. O₂ shall not be liable for loss or damages of any kind (whether due to negligence or otherwise) arising in relation to the Equipment, its connection to the O₂ Airwave Network and/or your reliance on the content of this Connection Certificate.
