

## Network Connection Concession For APD Cortex Centracom ICCS

The following equipment has been tested for connection to the Airwave network (the "Equipment"). The Equipment has been tested on the Airwave Reference System Rugby.

	Manufacturer/Customer:	Versions:	Other relevant details:	Date(s) Certificate issued:
Supplier and Equipment Information	APD Communications Limited, Newland Science Park, Inglemire Lane, Hull. HU6 7TQ	<b>Product Designation:-</b> Cortex  <b>Operating Systems:-</b> Console- MS XP SP3 Server – MS Server 2003 R2 SP1  <b>Build versions:-</b> Mot Tetra 5.10.6.0 SDS Service 6.0.0.0 CADI Service 6.0.0.0	<b>Test Date:</b> Concession	<b>Issued:</b> 11 Oct 11

At the time the Equipment was tested the Airwave Network Reference System was configured as follows:

<b>Airwave interface Software version</b> Centracom Q303	Airwave System was built to baseline R7.1.1 SPU2
---	---

The Concession of the Equipment suggests that it will not adversely impact the Airwave Network (as it had been configured in accordance with the above specifications).

**Notes/Observations:**

1. This is an updated certificate to cover minor changes made by APD to the Moto TETRA build version. The changes as declared by APD have been reviewed and concession issued without any testing.
2. No indication/confirmation to the operator of success or failure of Short Data Message delivery to the radio user..

*Date : 11 Oct 11*

3. The application only acknowledges null-proc and session up CADI events messages and leaves the others un-acknowledged..

**Disclaimer:**

1. This conformance certificate does not indicate any security approval with respects to the operation of this hardware / software on the Airwave network.

It is the responsibility of the supplier and their customer (whether Airwave Solutions Ltd or 3rd party customer) to ensure the Airwave Accreditor's security requirements have been met before this hardware / software is deployed on the Airwave operational network. If this solution is deployed within the customer's security domain then the customers Accreditor / Senior officer responsible for security must give their approval inline with the Airwave Service Code of Connection.

2. The issuing of this Connection Certificate is for information purposes only and Airwave makes no warranty or guarantee whatsoever as to the fitness for purpose of the Equipment or its ability to operate correctly when connected to the Airwave Network or any other network or equipment. Your use of the Equipment, connection of the Equipment to the Airwave Network and reliance on the contents of this Connection Certificate (for whatever purpose) is at your sole risk. Airwave shall not be liable for loss or damages of any kind (whether due to negligence or otherwise) arising in relation to the Equipment, its connection to the Airwave Network and/or your reliance on the content of this Connection Certificate.
