

Network Connection Certification For Zetron DCS5020 Dispatch System For use with Sepura SRM3500 terminal

The following equipment has been tested for connection to the Airwave network (the “Equipment”). The Equipment has been tested on the Airwave Reference System Rugby.

	Manufacturer/Customer:	Versions:	Other relevant details:	Date(s) Certificate issued:
Supplier and Equipment Information	Zetron Inc Bramley Hampshire RG26 5EG	Product Designation:- DCS5020 Using TETRA Terminal Sepura SRM3500 ver 7.16 (Topaz 16)	Test Date: 24 June 08	Issued: 2 July 08

At the time the Equipment was tested the Airwave Network Reference System was configured as follows:

Airwave interface Software version	Airwave System was built to baseline R6.1 SSR SPU
---	--

The testing conducted on the Equipment suggests that it will not adversely impact the Airwave Network (as it had been configured in accordance with the above specifications). The testing was limited to terminal conformance in accordance with the latest specification and hence no specific data application functionality or performance of the product was exercised unless specified below or in the test results.

Notes/Observations:

- The test were based on Zetron test plan 1A and the Airwave Reference System’s Generic ICCS Conformance Test Plan Issue 8.

Disclaimer:

- This conformance certificate does not indicate any security approval with respects to the operation of this hardware / software on the Airwave network.

It is the responsibility of the supplier and their customer (whether Airwave Ltd or 3rd party customer) to ensure the Airwave Accreditor’s security requirements have been met before this hardware / software

Date : 2 July 08

is deployed on the Airwave operational network. If this solution is deployed within the customer's security domain then the customers Accreditor / Senior officer responsible for security must give their approval inline with the Airwave Service Code of Connection.

2. The issuing of this Connection Certificate is for information purposes only and Airwave makes no warranty or guarantee whatsoever as to the fitness for purpose of the Equipment or its ability to operate correctly when connected to the Airwave Network or any other network or equipment. Your use of the Equipment, connection of the Equipment to the Airwave Network and reliance on the contents of this Connection Certificate (for whatever purpose) is at your sole risk. Airwave shall not be liable for loss or damages of any kind (whether due to negligence or otherwise) arising in relation to the Equipment, its connection to the Airwave Network and/or your reliance on the content of this Connection Certificate.
