Limited Network Connection Certificate

The following equipment has been tested for connection to the Airwave network (the "Equipment"). The Equipment has been tested on the Airwave Reference System Rugby.

	Manufacturer	Equipment Versions	Test Date	Certificate Date	Certificate Expiry
Equipment Hardware	Thales	VRM5301AU[1] - Airborne	15/02/2013	18/02/2013	30/09/2013
Equipment Software	Thales	V220.1.14	15/02/2013	18/02/2013	30/09/2013

[1] Hardware 7-450-113 Incorporating Thales VRM5301AU Radio Terminal controlled by Cobham Controller CH450-113 with Software V8.0.0.16 (Cobham).

At the time the Equipment was tested the Airwave Network Reference System was configured as follows:

Airwave Network Software Version	D7.1.2 / D7.1.1
Airwave Radio Test Spec. Version	Version 3.3 (Includes OTAR, C-SCCH & eTetra)

	Mandatory Tests	Optional Tests	Drive Test	Additional Tests (See Notes)
Test Results	Pass, with ONE area of Failure (Full-Duplex Telephony Tests).	Pass	**N/A**	**N/A**

The testing conducted on the Equipment suggests that it will not adversely impact the Airwave Network (as it had been configured in accordance with the above specifications) apart from the comments made in the Test Results section and Notes below.

Notes:

It is advised that the Full-Duplex Telephony Calls feature is not selected or used with this equipment at any time. If a Telephone call is undertaken, it will be necessary to power-cycle the equipment to restore normal operation and any form of Transmit audio from the Terminal.

Disclaimer:

1. This conformance certificate does not indicate any security approval with respects to the operation of this hardware / software on the Airwave network.

    It is the responsibility of the supplier and their customer (whether Airwave Ltd or 3rd party customer) to ensure the Airwave Accreditor's security requirements have been met before this hardware / software is deployed on the Airwave operational network. If this solution is deployed within the customer's security domain then the customers Accreditor / Senior officer responsible for security must give their approval inline with the Airwave Service Code of Connection.

2. The issuing of this Connection Certificate is for information purposes only and Airwave makes no warranty or guarantee whatsoever as to the fitness for purpose of the Equipment or its ability to operate correctly when connected to the Airwave Network or any other network or equipment. Your use of the Equipment, connection of the Equipment to the Airwave Network and reliance on the contents of this Connection Certificate (for whatever purpose) is at your sole risk. Airwave shall not be liable for loss or damages of any kind (whether due to negligence or otherwise) arising in relation to the Equipment, its connection to the Airwave Network and/or your reliance on the content of this Connection Certificate.
