Airwave Network Connection Certificate

The following equipment (hereafter referred to as the "Equipment") has been tested at the Airwave Network Reference System for connection to the Airwave network.

	Manufacturer/Customer:	Versions:	Test Date:	Certificate Issue Date:
Supplier and Equipment Information	Sepura Limited, 9000 Cambridge Research Park, Beach Drive, Waterbeach, Cambridge. CB25 9TL.	Product / System Designation:- SC20 Portable Tetra Terminal SC21 Portable Tetra Terminal SC27 Tetra Modem, incorporated into SCU3 System. Software Version: SC5.1-001 (Gen 3 Hardware) (SC20 – 1821 005 08522) (SC21 – 1821 005 08522) (SC27 – 1821 005 08522) TEA2 non-E2EE (All 3 Devices) and E2EE (SC20 & SC21 only, AES256)	27 Nov 2023 to 13 Dec 2023	15 Dec 2023

At the time the Equipment was tested the Airwave Network Reference System was configured as follows:

Airwave Network Software version: -	D7.1.2, D9.0.2, D9.2
Airwave/Customer Test Specification Title and Issue: -	Airwave Radio Test Spec Version 5.1 (incl. OTAR, C-SCCH & eTetra).

*Terminals certificates only	Mandatory Tests	Optional Tests	Drive Test	Additional Tests (See Notes)
Test Results	Pass	Limited Pass	N/A	N/A

The testing conducted on the Equipment suggests that it will not adversely impact the Airwave Network when connected and used (as it had been configured and tested during certification in accordance with the above specifications). Test scope was limited to conformance tests in accordance

with the latest applicable specification and hence no specific functionality or performance of the product was tested unless specified below or in the test results.

Key Observation/Comments:

1. The SC27 Tetra Modem is incorporated into the SCU3 System and currently does not support E2EE.

Disclaimer:

1. This conformance certificate does not indicate any security approval with respects to the operation of this hardware / software on the Airwave network.

It is the responsibility of the supplier and their customer (whether Airwave Solutions Ltd or 3rd party customer) to ensure the Airwave Accreditor's security requirements have been met before this hardware / software is deployed on the Airwave operational network. If this solution is deployed within the customer's security domain then the customers Accreditor / senior officer responsible for security must give their approval in line with the Airwave Service Code of Connection.

2. The issuing of this Connection Certificate is for information purposes only and Airwave makes no warranty representation (express or implied) or guarantee whatsoever as to the fitness for purpose of the Equipment or its ability to operate correctly when connected to the Airwave Network or any other network or equipment. Your use of the Equipment, connection of the Equipment to the Airwave Network and reliance on the contents of this Connection Certificate (for whatever purpose) is at your sole risk. To the fullest extent permitted by law, Airwave shall not be liable for any loss or damage (whether due to negligence or otherwise) arising in relation to the Equipment, its connection to the Airwave Network or any other network and/or your reliance on the content of this Connection Certificate.
